

Corvairs With Altitude - Area Map

DoubleTree & Orchard Road Christian Center (ORCC)

Multi-lane 4-way stop where locals will try to whack your Corvairs... Be careful!

North Overflow Lot - Ultra-Van parking, Swap Meet area, and overflow parking.

Low-stress entrance to ORCC parking areas.

Orchard Road Christian Center - north end of upper lot is the Concours site; trailer & rig parking in lower lot.

North Parking Lot - General parking lot, site of Car Display (with OF lot) on Saturday.

Car wash area, open 8-10, 5-7 Tues-Fri, 7-9 Saturday.

Best way to lower-level parking, particularly with trailer rig.

Conveniently-located convenience store/gas stop.

Main hotel entrance, bad idea for trailers! Trailers proceed to light at Greenwood Plaza Blvd, turn right.

Trailer short-term parking, general parking lot entrance. Note the little "zig" to negotiate!

West Parking Lot. Primary parking lot, departure point for tours.

Interstate 25 intersection just off the map to the east - get in turn lanes early.
